

# HP ProBook 6560b Notebook PC

Tailored for Business

**Versatility expert. Get the job done—anywhere, anytime. From writing reports to attending mobile meetings, this HP ProBook with a 39,6 cm (15.6") diagonal HD<sup>1</sup> display is perfect for everyday business tasks.**

HP recommends Windows<sup>®</sup> 7.

---

### Equipped to get the job done

Gain strong processor capabilities, wireless<sup>2</sup> functionality and a 39,6 cm (15.6") diagonal HD<sup>1</sup> display.

### Solid build

Keep your notebook looking and performing well—bead-blast aluminum display enclosure, a magnesium-reinforced ABS chassis, and a bottom-case drain help protect against everyday wear and tear.

### Powerful processing

Create, edit and share projects without slow load times, freeze-ups or stalls. Streamlined, powerful Intel<sup>®</sup> processing keeps you working fast and efficiently. Type and quickly run calculations with the numeric keypad and calculator button.

### Graphics options

Create presentations, display detailed images and produce basic visuals with your choice of graphics options.

### Easy charging and docking

Get charging equipment that works across all your notebooks. Perfect for shared work environments, all HP Business Notebooks can be charged on the HP 90W<sup>3</sup> or the HP 120W Advanced Docking Station<sup>3</sup>—so your business can do more with less.

### Power that suits you

Choose the battery option—from lightweight to long-life—that works best for you<sup>5</sup>.

## Accessories and Services

### HP Business Nylon Carrying Case

HP Business Nylon Carrying Case is designed inside and out with features that will be appreciated by a mobile traveler. Made from durable nylon, the case offers a large toplead compartment with plenty of room to organize materials, plus store business cards, cell phones and other supplies. It can carry a notebook up to 16.1 inch (40.89 cm) and also includes a neoprene pouch for a mini or thin-and-light notebook up to 12.1 inch (30.73 cm). Convenient outer pockets provide quick access to frequently used items, and can be closed with zippers and Velcro. Padding added to the handles and shoulder strap provide comfort as it is carried. Best of all, attach the HP Nylon Carrying Case to a rolling cart or suit case. A unique pass-through strap helps keep the case attached to the handle of a rolling cart or suit case, to avoid being lost or stolen.

Product number: BP848AA

### HP 90W Docking Station

Desktop convenience with full port replication capability in a space-saving design.

Product number: VB041AA

### HP Display and Notebook Stand

The perfect home base for the business traveler who is constantly on the go - turn your HP Business Notebook into a desktop solution supporting up to two displays (notebook display plus external display). The adaptable design of the HP Adjustable Display Stand can accommodate a range of notebook sizes with the innovative adjustable shelf. This stand can also accommodate notebooks that can be connected to a docking station and notebooks that do not have a docking connector. Integrated base rollers let you rotate the stand so you can more easily share your work. A dual-hinged, smooth-motion display stand allows for greater depth, height and tilt adjustment for maximum comfort.

Product number: AW662AA

### HP Docking Station Cable Lock

The HP Docking Station Cable Lock is dramatically simpler to use than previous locks and delivers enhanced security. The HP Docking Station Cable Lock gives you two locking options: lock the docking station only (which also prevents access to the advanced docking stations drive bay) or lock both the docking station and the notebook.

Product number: AU656AA

### HP 15.6 Privacy Filter

No more need to worry about prying eyes. This unique HP built-to-fit solution ensures confidential business data, personal information and financial records are visible only to the person sat directly in front of the notebook display.

Product number: AU103AA

### 3-year Next Business Day Onsite

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely

Product number: U4386E
