¹3Dmark vantage Performance preset

Simplified for business, the Lenovo® ThinkPad® Edge E430c*/E530c notebook is built with style for growing businesses. The notebook is designed to maximize productivity using industry-leading features tailored to your business need, reducing dependability on dedicated IT staff.

Progressive designed top cover offer a sophisticated level of personalization for your business. Experience outstanding VOIP functionality with a low-light sensitive web camera and unique noise suppression technology that eliminates keyboard noise during video or voice chat. In addition, the notebook is light weight and thin, making your frequent travels more comfortable.

Whether you are looking for moderate price, performance, productivity, durability, or stylishness, ThinkPad® Edge E430c*/E530c is the right choice.

* Available in selected markets only.

POWERFUL PERFORMANCE

The ThinkPad® Edge E430c*/E530c boosts business performance using:

- 3rd generation Intel® Core™ processors with integrated graphics
- Intel® HD with 80% up faster graphics performance
- Integrated HD 720p camera with face tracking captures high-resolution video even in low light environments
- Lenovo Hard Disk Drive Performance Booster: Productivity testing shows 184% increase in performance vs. normal Hard Disk Drive systems

STYLISH AND EFFICIENT

The ThinkPad® Edge E430c /E530c is designed to be stylish and durable providing:

- Progressive clean design with multiple top cover colors for a fashionable look and feel
- Drop-down hinges shows attractive LCD screen and keyboard face clean
- The light weight allows you to travel effortlessly with your notebook³
- Enhanced keyboard design with numeric keypad and spill resistance⁴

¹Battery life improvement tests conducted in house using the Mobile Mark 2007 Standard
²Optimus technology with battery savings is only available with Windows® 7 OS

IMPROVED PRODUCTIVITY

The ThinkPad® Edge E430c /E530c gives your work both effectiveness and versatility with:

- Dolby Advanced Audio for increased audio clarity on VOIP applications and maximized volume output
- Various call modes for an outstanding VOIP experience
- Private Internet Call mode with microphone with VOIP enhancement and improved audio recording clarity with the features, Echo cancellation, Beam forming, and Noise Suppression
- Quick access to microphone, speaker and camera mute buttons, working with VoIP has never been easier

INSPIRED USABILITY

The ThinkPad® Edge E430c /E530c provides many innovative usability features including:

- USB 3.0 that powers data transfer at a rate ten times greater than USB 2.0
- SimpleTap Deskband as a single point for notifications and MCP

LENOVO SERVICE

Lenovo offers a comprehensive portfolio of award-winning services to support and protect your ThinkPad® Edge investment. Lenovo Services lets you focus on your customers and business, not your IT.

Priority Technical Support *

Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking, rapid response and resolution.

Warranty Upgrades - Onsite and Next Business Day

Maximizes PC uptime and productivity by providing convenient, fast repair services at your home or office.

Warranty Extensions (1 to 4 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment, and potentially lower the cost of ownership over time.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen
